Blue

Duration: 5’30
2023

A fog, lingers above my eyes,
the fog, raised from the blue aghast.
weaved by your deep blue eyes-
A siren, drilling my ears.

Your eyes bleed out the blue,
nourished by this tearless sea.
The blue, is fog, is blood, is your eyes-
I am drowned in this arid sea.

Take-me-to-leave,
away from this strident ocean,
My breath is suffocated by the fog,
Your obnoxious blue eyes are the sole accompany.

Blue

Drown in this aghast ocean,
your eyes are obnoxiously blue
